

Barry the Snail

**A gentle outdoor activity
for little nature explorers**

Allotment Rookie Young Explorer

Meet Barry the Snail, one of the allotment's quiet little visitors.

This gentle activity book encourages children to slow down, explore outdoors, and notice the tiny creatures living all around them.

Inside you'll find:

a simple story
spotting activities
drawing pages
calm nature exploration

Perfect for gardens, allotments, parks, and outdoor adventures.

Because sometimes the smallest discoveries become the biggest memories.

Suitable for ages 4-10

Adult supervision may be helpful for younger explorers.
